Charles O'Malley

Senior Systems Change Advisor -
Food and Agricultural Commodity Systems
United Nations Development Programme

Charles O'Malley is Senior Systems Change Advisor in the Food and Agricultural Commodity Systems team at the UN Development Programme. His current work focuses on how international development programmes in food and agriculture can become more effective in catalysing systemic change and sector transformation. He has worked on issues of social and environmental change for the past 20 years, following a 10 year career in the finance sector.
